I'm writing because I'm currently incarcerated in Washington State Penitentiary which due to Covid-19 has been on quarantine. In here I have no access to the internet, law library as well as no visitations. I also have no family to ask for assistance with getting on the internet on my behalf. Please include me in the Purdue class action lawsuit, I've submitted a claim and my claim number is listed above.

The only way I can receive information in here is the U.S. mail due to not having access to the internet.
